

Mon Squash Awards Dinner

As the Blues Brothers put it....."bend over and shake your tail feather".....and thats exactly what we did at the annual Awards dinner !!

What a great night was had.....and I want to thank everybody who came and all those who helped to make it happen.

It was a great opportunity for a catch up with members and their families and friends, and for the boys to wear long trousers and girls to wear their pretty shoes

Amidst the balloons, poppers and brain numbing quizzes ...we did manage to present Awards to some of our very talented squash players from all the teams.....and a new Award was presented.... the Long Suffering Partner Award, which went to a very deserving lady !! Emphasis was to keep speeches to a minimum but socialising very much to the maximum !!

It made absolute sense to hold the dinner at the Rugby Club, returning the support they have given us with the use of their facilities, whilst the leisure is closed for refurbishmentand what a find...what a great venue....Fabulous food prepared by Emma with assistance from her daughter Hope, who ran the Bar.....and DJ Alison Beavan provided back ground music and then a fantastic disco, keeping us rocking late into the night....

Brilliant time had by all.....and yes, there were a lot of burst balloons, spent poppers and a few feathers to be swept up the next morning!!
