

Welcome to MSC Summer League where match day 1 last Tuesday (31st May) included games between Titans, who's numbers include Jim Barker (deputising for the holidaying Tom Lyons), Steve Howell and Nick Edwards and Warriors which was Cedric Hazel, myself and Will McGuinness. Jim narrowly beat Cedric in an epic 5 game match prior to retreating for much needed sleep prior to the milk round!!! I beat Steve 3-1 and Nick showed that age can still triumph over youth and energy by beating Will 3-1.

The other game on the night featured Gladiators, Andy Salter, Anthony Rabbit and Bob Jones complete a clean sweep over the Superstars of Avatar, Martin Van (deputising for Andy Robinson) and Will Green 3-0, 3-1 and 3-2 respectively.

So Gladiators are the early pace setters.

Tomorrow (June 7th) the Giants make their tournament debut against Gladiators, Giants include Jim B, playing for his official team!!, Stuart Allen and Chairman Hayden. The other game being Superstars versus Titans.
